William Lloyd Garrison

64 My Dear Sir

You will please accept this Paper-  
Cutter and haphenizing made from the  
wood of the Historic Washington Elm-  
under whose broad shadows the immortal-  
Washington first assumed  
Command of the American Army  
July 3<sup>d</sup> 1775.

It gives me great pleasure to send you  
also some mementoes made from the  
wood of a spreading Chestnut Tree  
The Village Blacksmith.  
made famous by the Eminent Poet  
(Song of a fellow)

I feel sure Sir you will prize highly  
as Historic keepsakes, I am with great respect  
(all the above are genuine) Truly Yours Geo. A. White
